INTRODUCTION

Design is a lifestyle. It is being inspired by a song or by the weather or by a tree or by a certain colour. Design lives in the wind, it is the air we breathe. Design is everything. The world exists by design and this is a fact.

Some of my fashion illustrations

ANKARA DESIGNS

Designed from the finest of fabrics. Beautiful African prints on display

OTHER DESIGNS

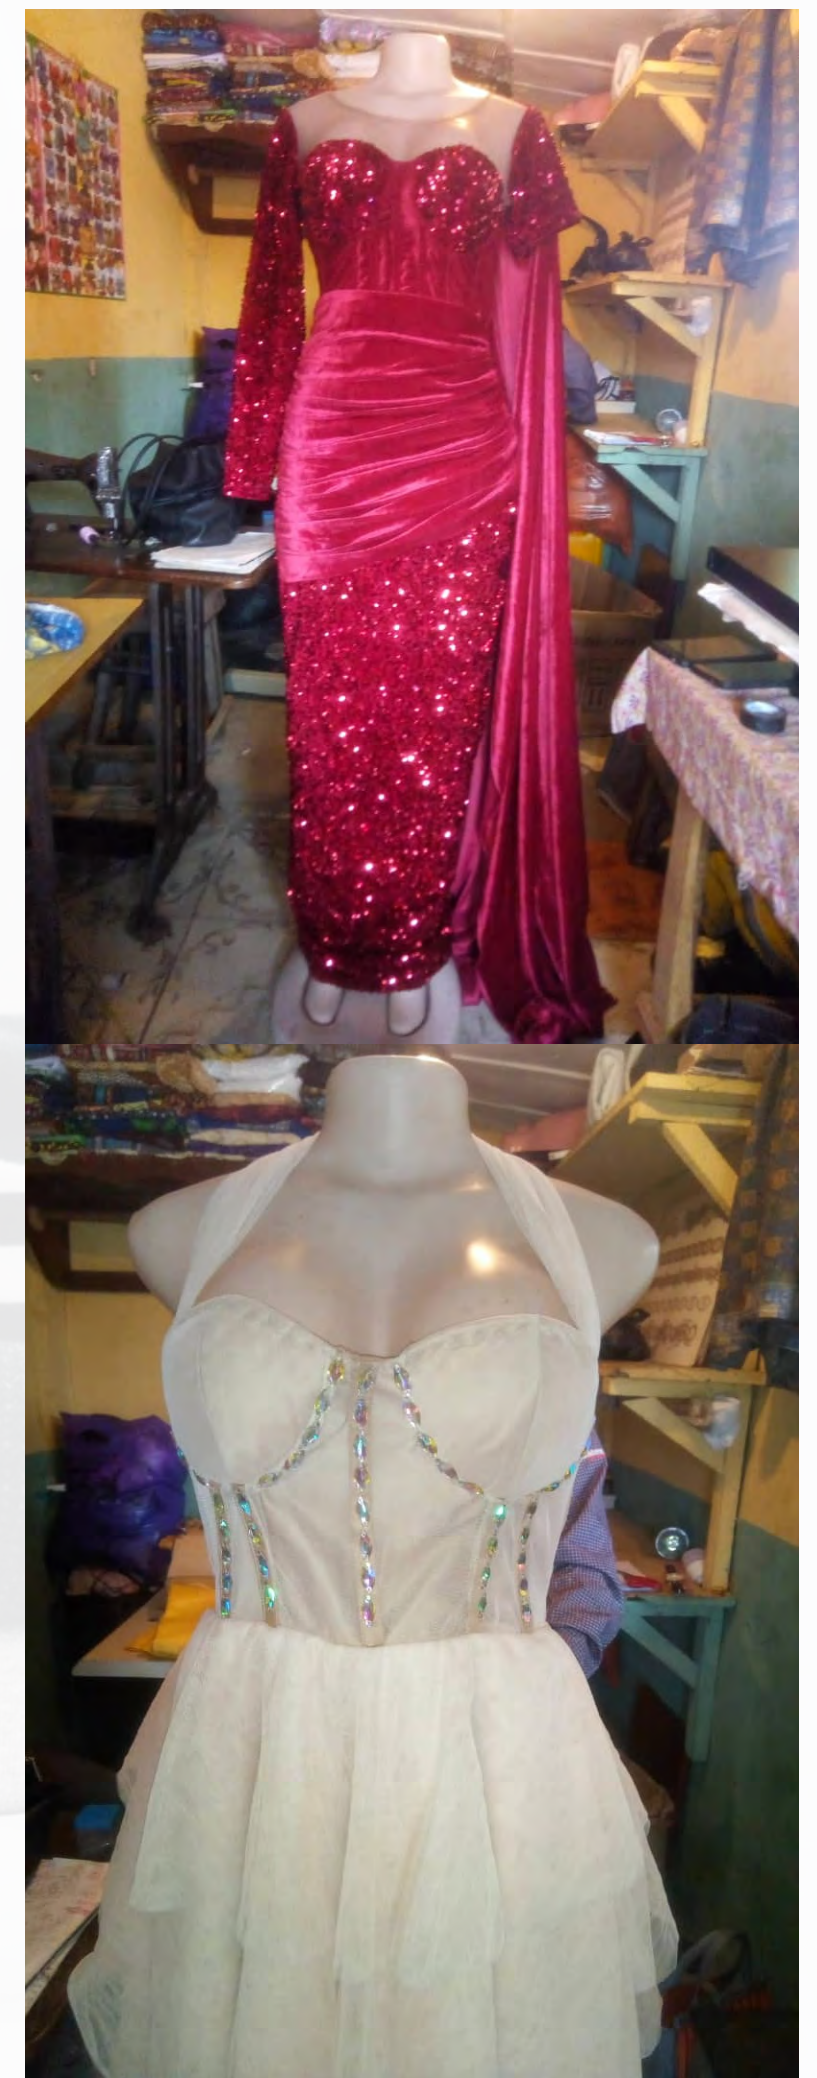

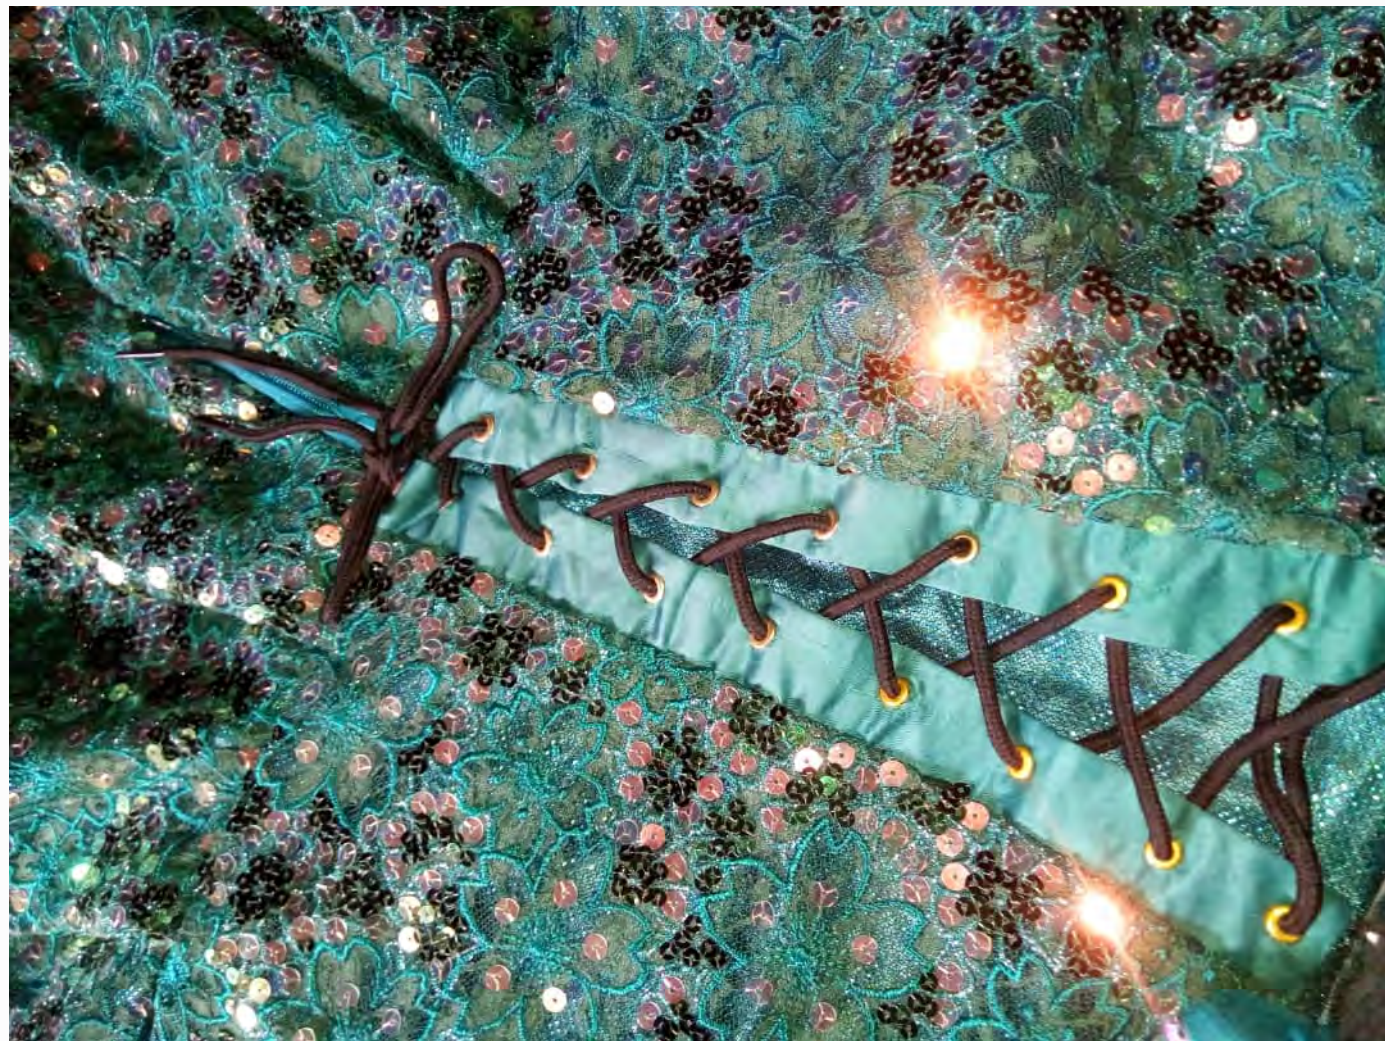

Beautiful designs on display.

DETAILS

Details are important in design. It is what sets a design apart from others.

THANK YOU.
